IMPORTANT: Before work begins on any phase of the excavation and patching project, contractor shall contact City Engineering office at 966-0203 to coordinate inspection schedule. If City is to patch, please notify Public Works Superintendent when pavement cut is ready for patching at 276-3078. The undersigned agrees to make the excavation as described above in conformance with City of Pendleton's Excavation Ordinance and current Standard Specifications and to maintain the excavation in a manner approved by the City until a permanent patch is installed unless noted otherwise. Prior to excavation, in accordance with Oregon Call Before You Dig laws, applicant agrees to call for locates of utility lines by contacting the Utility Notification Center at 800-332-2344. Applicant further agrees to make prompt payment to the City for any costs of resurfacing and maintaining the street excavation cut for one (1) year following the date on which the permanent patch was installed.
