

## We want to hear from you! Regional Forums

Cleaner Air Oregon, the new initiative to reform industrial air toxics regulations and align them with public health, is seeking input from communities throughout Oregon, and is holding regional forums across the state this fall:

- Tues, September 13, 6:00pm - 8:30pm at Jackson County Library, 205 South Central Avenue, Medford, Oregon
- Tues, September 20, 6:00pm - 8:30pm at Central Oregon Community College, Wille Hall, 2600 NW College Way, Bend, Oregon
- Wed, September 28th, 6:00pm - 8:30pm at Pendleton Convention Center, West Rooms 1 & 2, 1601 Westgate, Pendleton, Oregon
- Wed, Oct 5th, 6:00pm - 8:30pm at Oregon Convention Center, Oregon Ballroom, 777 NE Martin Luther King Jr. Blvd, Portland, Oregon

The public is invited to attend and to provide input on the rulemaking process; the input provided by the public at the forum will be shared with the Cleaner Air Oregon Regulatory Advisory Committee. This committee will be meeting from October through April 2017 and will provide input into the drafting of new air toxics rules.

The forum will include presentations by DEQ and OHA staff, and will offer the opportunity to ask questions.

If you would like to attend, please RSVP here:

[CleanerAir.Oregon.gov/forum-rsvp/](http://CleanerAir.Oregon.gov/forum-rsvp/)

Childcare arrangements and interpreting requests for the forum can also be made via the RSVP link.

For those unable to attend in person, there will be an online version of the forums available via [CleanerAir.Oregon.gov](http://CleanerAir.Oregon.gov) from September 13 – Oct 5.
