

City Council Recap: Nov. 15, 2022

Agenda at <https://pendleton.or.us/meetings>

Action key:  Approved

 Failed/Denied

 Tabled/Modified

Community Discussion: *No community discussion presented.*

Consent Agenda:

 Minutes of the Nov. 1, 2022, meeting

Bid Award:

 Well 11 Bid Award: *Council awarded the contract for the Well No. 11B Drilling Project to Holt Services, of Milton, WA, for \$782,023. The existing Well No. 11, which serves the Wastewater Treatment Resource Recovery Facility, is too small to be developed for the municipal water supply. The new well will be drilled near the existing well to provide water for the WWTRRF and the water distribution system.*

New Business:

 Travel Pendleton Report: *Kristen Dollarhide presented a revised proposal asking for an increase in TPAC funding. The Travel Pendleton request is to raise the fee charged on hotel room stays from \$1.5 per night to \$4 per night in order to raise more money for Travel Pendleton.*

 Ordinance 3992, amending Ordinance 2795, the Room Tax Ordinance : *In 2020, the Oregon Department of Revenue began collection of local room taxes for local governments who opted to receive that service. After about one year of DOR's collection service, city staff concluded that it is not working well for the City and that we should discontinue DOR's collection services and resume our own local room tax administration.*

 Contract with the City of Hermiston for IT services: *IMESD is ending IT service for the City of Pendleton to focus on its highest priority: school districts' IT needs. To replace that service, the City executed an Internet Service Provider contract with Wtechlink and presented an intergovernmental agreement (IGA) for ongoing network support services with the City of Hermiston. This vote approved the IGA with City of Hermiston, whose Council approved the IGA at their Monday Council meeting, for ongoing network support services.*

Meeting Adjourned: 7:44
