

SITE REQUIREMENTS FOR VENDING CARTS OPERATING ON SIDEWALKS

1. No vendor application can be accepted for a permit operating area where a shop selling a similar product is within 100 feet on the same block face, except with the written consent of the proprietor of the shop.
2. A permitted operating area is the sidewalk from the midpoint of one block face to the midpoint of an adjacent block face. One person may not have permits for adjacent permitted operating areas.
3. The immediate operating area cannot exceed (24) twenty-four square feet of the sidewalk.
4. The site shall *not* be within (10) ten feet of the intersection of the sidewalk with any other sidewalk or mid-block crossing (as diagramed below).
5. The site shall *not* be within (8) eight feet of the adjacent property line (as diagramed below).
6. The site shall *not* be within (10) ten feet of the extension of any building entrance or doorway, to the curb line (as diagramed below).
7. The site shall *not* be within (10) ten feet of any parking space designated as “disabled”, or access ramp.
